CHAPMAN'S CHAT

Good afternoon and welcome back to Deepdale as we again hit the trail for Third Division points after last Saturday's brief association with the F.A. Cup.

To lose at home to Mansfield was not only a blow to the club's financial position it was also a major setback for you, our loyal fans.

I have been at Deepdale long enough to appreciate the value of the tremendous support the fans extend the way of PNE.

Up and down the country we can always call upon excellent backing and it upset everyone to see us come out second best to Mansfield.

Without harping on the subject, we should have murdered them. We had more than enough clear-cut chances but our failing is our inability to hit the back of the net.

We haven't scored a goal at home for . . . well, let's just say far too long!

And when we have managed to strike we have been unable to follow it up with a second decisive goal.

We were one up at Wigan – and lost, one up at Carlisle – and drew, and one up at Bradford City and lost!

Need I say more. I feel that when we do start finding the route to goal things might well click into place.

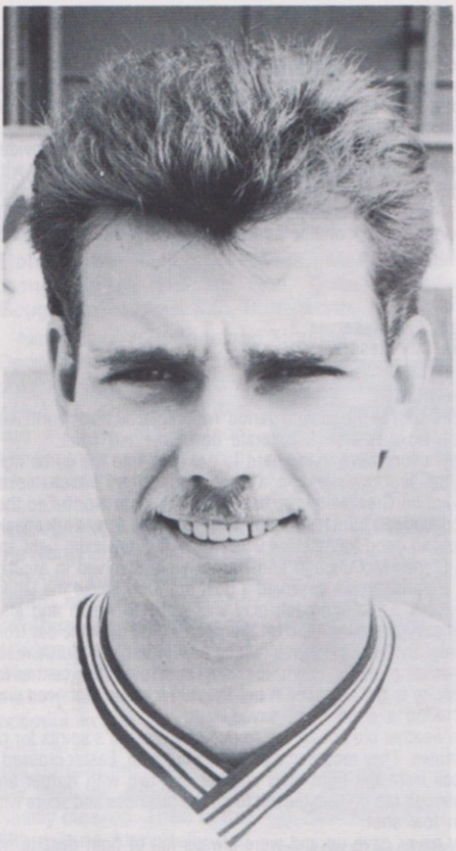
LES CHAPMAN

It's not that we are playing badly or being turned over. But without goals we are ruining some decent displays.

If you don't score, you don't win – I just hope that we can put the matter right – starting with this afternoon's game with Huddersfield.

STARMAN

PAUL AGNEW



JEFF WRIGHTSON

How did the song go: "Come, follow the Geordie boys?" Well, it was something like that and the lyric could certainly apply to Deepdale at the moment.

For Jeff Wrightson's outstanding display in last Saturday's F.A. Cup defeat against Mansfield puts him in the clear in the race to find the PNE starman of the season.

And who is the Newcastle-born defender's closest rival? None other than another North East star, Ian Bogie!

Wrightson, surely now rated among the Third Division's most polished performers, is certainly looking a shrewd signing.

Four years ago when, as a raw teenager he moved to Deepdale from St. James' Park, he cost North End nothing – one of the best free transfer signings of recent times.

Against Mansfield he was in great form and certainly didn't deserve to be among the losers.

He has fitted in well to the role of sweeper and seems to be fashioning a sound career in the game.

Wrightson has claimed the award four times – versus Grimsby, Bournemouth and Wigan (League) and Mansfield (F.A. Cup).

After a total of 19 League and Cup matches, the "starman" table reads:

Player	Awards
JEFF WRIGHTSON	4
IAN BOGIE	3
MARTIN JAMES	2
ADRIAN HUGHES	2
GRAHAM SHAW	2
STEVE SENIOR	1
MIKE FLYNN	1
WARREN JOYCE	1

IN RESERVE

PONTIN'S LEAGUE DIVISION TWO

Tuesday, 30th October, 1990

v. York City Reserves (Home)

With still only one Pontin's league victory under their belts in nine matches, Preston Reserves tonight were facing a York City side who are managed by an old favourite Deepdale star, John Bird, the two sides drew 2-2 at Bootham Crescent on October 3rd, and York came to Deepdale tonight unbeaten in the Pontin's league.

With the injury situation being like it is the reserve side again consisted of mainly young players. Only four of the squad can boast league action, one of these being Wigan born David Glenn who has just returned from Australia. He is at Deepdale as a trialist after playing league football with Blackburn, Wigan and Chester, he is normally a left back but is included at right back.

The Teams Lined Up:

North End Reserves: Johnson, Glenn, Siddall, Anderton (Captain), Greaves, Lambert, Harper, Cartwright, Easter, McCullough, Ashcroft. *Subs:* Peel, Burrows (not used).

York City Reserves: Kiely, Smith, Pybus, Vardy, Weatherhead, Howell, Wood, Bushell, McCarthy, Blackstone, Himsworth. *Subs:* Curtis (for Himsworth 45 mins), Naylor (for Smith 75 mins).

North End Man of the Match: Graham Easter

First Half

With the weather fine and only a very slight wind York set the game in motion attacking the Fulwood end goal. The first quarter of an hour was a keenly fought affair with most of the play being contested in the middle of the park. Only thing worth recording was when North End Keeper' Johnson came bravely out of his goals to save by diving at the feet of a York forward after a dicey back pass had let him in, and when Preston's McCullough put in a token effort from outside the box..

The young Preston side began to get on top and a fine effort by Harper from a corner-kick was saved by Kiely, the York keeper' at the expense of another corner (20 mins).

York were finding the going tough but Blackstone did get a shot in but it caused Johnson no real problems.

From another flag-kick Lambert got another shot in But it was over the bar, with the home sides pressure starting to tell, their superiority was rewarded after 29 minutes, when after a delightful one-two with Easter on the edge of the penalty area, Anderton beat Kiely from ten yards shooting past his right hand side and into the bottom left hand corner of the York net.

North End nearly increased their lead two minutes later when a McCullough, Anderton move ended when Ashcroft toe poked the ball just wide of the post from three yards out. Harper and Easter both came close with headers before Wood missed a glorious chance for the 'Minstermen' shooting wide when he really should have done better.

Glenn was linking up well with Easter and the two provided Ashcroft with another chance which went wide of a post, but with only two minutes to go before the interval North End netted again. Harper cut inside from the right and the ball ran loose for Cartwright to crack one home from close range to the suprise of the York defence.

Half-Time:

North End Reserves 2
York City Reserves 0

Second Half

At the start of the second period York replaced Himsworth with Curtis who was also to operate down the left flank.

The visitors were trying hard to get back into the game right from the first whistle and a shot from Wood which looked goalward hit Greaves on the head and luckily for North End they only conceded a corner. Preston weathered the early York attacks and looked good themselves when attacking down the right and again Glenn, McCullough and Harper were involved in another good build up which deserved a goal but Kiely saved the latters shot. North Ends approach play was a joy to watch and after more heavy pressure Ashcroft thumped a shot over the bar from 25 yards. By this time it was raining heavily and sub Curtis made a penetrating move down the left, sent over his centre for Blackstone to get a header in but Preston's keeper Johnson who was having a good night saved well.

The weather did not appear to dampen Preston's spirits for on 68 minutes. They recorded a glorious third goal, Easter crossed a fine ball from the right after another one-two with Harper and McCullough ran in from the left to do the business and score with a firm low shot.

City never gave up and were always full of fight despite not creating many scoring chances they tried sending on Naylor, their second sub' and withdrew Smith but it made no difference.

In the last minute Harper rounded Pybus out on the right only to be fouled and then tripped for a second offence this earned the visitor a booking.

So Preston got their first clean sheet after ten attempts and only the second victory.

Full-Time:

North End Reserves 3
York City Reserves 0

Official Attendance: 130

* After the disappointment of the Blackpool game last week the young side tonight performed well. McCullough ran Easter very close for the outstanding player and the fans went home well satisfied after this display.

FOCUS ON YOUTH

LANCASHIRE LEAGUE
DIVISION ONE
Played at Deepdale
SATURDAY, 29th SEPTEMBER, 1990
PRESTON N.E. 'A' 3
MORECAMBE RESERVES 2

PNE 'A': Kelly, Cunningham, Siddall, Anderton, Burrow, Lambert, Thompson, Cartwright, Kerfoot, McCullough, Ashcroft. Subs: Hindle, Critchley.

Morecambe: Deagan, Woods, Mallum, Kennedy, Stone, Butler, Stanley, Roe, Galley, Sunderland, Gough. Subs: McGawan, Butterworth.

North End 'A' entertained Morecambe Reserves at Deepdale having won their previous five games and intent on maintaining this fine start to the season. Morecambe showed from the outset that this achievement would be a difficult task for they laid seige to the North End goal from the kick-off. Keith Galley at centre forward showed he still has an eye for goal scoring opportunities and was very unfortunate not to open Morecambe's account in the second minute when his drive from just outside the area hit the bar and the rebound was hastily cleared. Then in the fifth minute Alan Kelly had to be extremely alert to read an awkward situation, coming off his line to save with his feet on the edge of the area as Sunderland broke through an unsettled North End defence. The same player should have done better shortly afterwards with only Kelly to beat he shot wide when to score seemed an easier task. The first twenty minutes really belonged to Morecambe, their football was of a high quality and a credit to the team. North End were outplayed in most departments but as so often happens in the professional game, the longer the side dominating events take to open their account the opposition grows in stature and breaks the deadlock. Such was the case in this match for in the 26th minute Stone the Morecambe centre half deflected a far post cross ffrom Gary McCullough into his own net. McCullough had made a fine run down the right and his well struck cross eluded Deagan in goals and was met by the onrushing pack of players, Stone being the unfortuante player to get the final touch. There was the possibility that had he not done so the ball may have missed the far post and left the visitors with a goal kick. However this one-nil advantage seemed to be the tonic North End needed to inspire their performance and from hereon the game became one of pulsating action, both sides matching each other in every department to the delight of the crowd.

STEVEN ANDERTON Scored North End's winner

The second period continued where the first finished with both sides determined to take maximum points. Chances fell to both sides and Kelly made another fine save when it looked like Morecambe would equalise. Midway through the half Stanley did just that and set the game for a magnificent finish. Straight from the kick off McCullough took a return pass and secured North End's lead by lobbing the ball over Deagan as he advanced from his line. Morecambe fought bravely and Sunderland brought the equaliser when he met a cross from the right to slot the ball into the bottom corner past the outstretched fingertips of Kelly. Hereon in it was all action and in the dying minutes Steve Anderton, playing his captain's role got into the box to meet a cross again ffrom the right, to drive the ball home sweetly into the net to give North End the two points. Both sides deserved something from this game, Morecambe for their part were perhaps, on this performance, the best side North End had met this season and North End, to their credit, weathered the storm early on and produced the style of football we have become accustomed to seeing from them. For the record the sequence of results to date reads:– P6, W6, D0, L0, Goals for 23, Against 9.

FOOTBALL ANNUALS

Much of the material for my articles for the North End programme, (which I hope by the way you all enjoy), comes from my collection of Football annuals. Since a very early age all of my family have appreciated my love of the game, they had no choice as all I did was eat, drink and sleep football, and so at Christmas and birthdays the familiar packages would be given to me. I would eagerly rip off the wrappings to reveal the latest addition to my collection.

In the 1950's the best buys, and the best reads, were always the "Big Book of Football Champions" and "Charles Buchan's Soccer Gift Book". I think I received most of them suitably inscribed with "Merry Christmas Michael, love from Nan", or "Happy Birthday Michael, love from U. Bill and A. Enid", or similar greetings. The other popular ones were the "F.A. Book for Boys,, and "The Boy's Book of Soccer". My own particular favourite has always been "The Topical Times Annual". This was mainly because it always managed to feature an article on North End or one of their players.

The other popular idea, later to become the rule, was to endorse the annual with a leading player of the day. There was amongst others the "Billy Wright Book of Soccer", "The Bobby Moore Book of Soccer" and "Denis Law's Book of Soccer". These were never very good from a point of view of articles and pictures and couldn't compare with the earlier books I mentioned. It was usually the kiss of death to the player, too, as soon after the annuals started they would either retire or lose form. The B.B.C. brought out the "Sportsview Book of Soccer" edited by Peter Dimmock, (how many of you remember him?) and in the 1970's there was a variety of other lesser quality books. Nowadays there are few annuals worth bothering with as far as I'm concerned although the Topical Times is always worth a look.

I've never been one for biographies in the past but I'm now into them and I recently bought "Football round the World" by Tom Finney which supplements nicely the brilliant "Finney – a football legend" by Paul Agnew. I hope to have a look at books on North End in a future programme.

PNE WELCOMES TODAY'S MATCH SPONSOR

WHATEVER HAPPENED TO?

The exciting ALEX BRUCE one of North End's all-time greats.

Ten years can be a lifetime in soccer terms.

How many of the players who "did the business" for Preston North End back in 1980–81 do you think are still playing the game at Football League level?

And whatever happened to those who retired?

Well, close on two dozen professionals turned out for the club that particular year a decade ago and only six are still on the playing staff at League clubs.

Let's take a look at a few you may just have forgotten, with one prominent example:

BRIAN TAYLOR

Born in Gateshead, the strong full back played around 350 League games with Coventry City, Walsall, Plymouth, PNE and Wigan, from 1968–72. His Deepdale career ran from 1978–81 during which time he played 93 full games, scoring one goal.

Back in 1980, with his career drawing to a close, Brian started his own printing company.

And a decade later, he is still at the helm of the successful Melford Printing Company over on Fylde Road, employing a dozen staff.

Married, to Wendy, with two children, Peter (12) and Caroline (10), Brian lives in Fulwood.

His footballing interest is now restricted to running Fulwood Colts in the Central Lancashire Junior League.

"The north east is my home, but Preston is where my roots have been set. Due to business, I don't get to watch many matches these days", said 41-year-old Brian.

Of the others used that particular season, several are still earning a crust as players. People like John Anderson, Steve Doyle, Steve Elliott, Peter Litchfield, Willie Naughton and Don O'Riordan.

Others have drifted into the non-League scene: Graham Bell, Graham Houston and Simon Westwell

Sadly, one of the number, Mick Baxter, is no longer with us. Men like Francis Burns have emigrated over to Australia, Alex Bruce has taken up a career in control of leisure centres while Andy McAteer and Eric Potts work in insurance.

There was another member of the PNE club a decade ago – Roy Tunks, wonder what happened to him?

Division Two

Huddersfield had the better of the first half-hour in this match at Deepdale. In the first minute Shaw got clean through when Legg's pass left Bill Cranston stranded and missed by inches with Alan Kelly helpless. There were other near misses but on 30 minutes Preston snatched the lead with a fine piece of opportunism from their recently signed striker Willie Irvine. John Oldfield failed to hold Ken Knighton's fierce shot and Irvine nipped in smartly to score from the rebound.

The goal lifted North End's confidence and they improved as the game went on. Five minutes after the interval Oldfield saved desperately from Archie Gemmill and from the resultant corner Jim McNab's pass set up Irvine for his second goal.

The striker became the new Deepdale hero in the 62nd minute when Gemmill's lovely crossfield pass gave Irvine the chance to score a glorious goal to complete his hat-trick.

With a three goal lead North End eased up somewhat and paid the penalty when Ray Mielczarek punished a defensive error to pull a goal back for Huddersfield. In the end though it was no more than a consolation as Irvine was mobbed by the fans as he left the pitch.

BUSINESS MATTERS

It is already being hailed as soccer's finest nostalgia video – the remarkable lifestory of one of the world game's all-time greatest, the legendary Tom Finney.

Entitled Tom Finney – The Perfect Player the video is now available. It represents a glorious account of a remarkable sporting career.

Unbeatable nostalgia it is crammed with big name contributions and a high proportion of unique archive material. Jimmy Hill fronts the programme which includes interviews with Sir Stanley Matthews, Billy Wright, Nat Lofthouse, and Tommy Docherty.

Finney, whose skills produced entertainment for millions when the English game was at its peak won 76 caps for England and played for Preston North End for 14 years until retiring in 1960.

For many years he rivalled Matthews as the game's number one draw card.

This new video produce by Preston based Actual Production Company comes hot on the heels of a bestselling biography 'Finney – A Football Legend' which met with widespead acclaim following a launch last September.

The video has been commissioned by Preston North End Football Club and Finney, now the Club President says 'I am thrilled and delighted by the number of my former colleagues who have become involbed in the project. It is lovely to revive all those wonderful memories.'

For Actual Production Company Terrance Charnley said 'Tom Finney is a legend both nationally and right acrss the world. We feel the video will be popular among all soccer followers irrespective of age.'

"Already, CCTV has had a major impact on the hooligan problem inside football grounds as well as proving extremely useful to monitor safety measures. If any trouble appears on the screen or is reported from any quarter of the ground, the CCTV can zoom in on the incident. The police can then record what occurs on colour video and on hard copy prints. Individuals can be picked out by facial appearance and the colour of their clothing. The evidential effect of such a video recording has proved formidable. It has persuaded hooligans, who would previously have sought to challenge oral evidence of identification, to plead guilty. Hooligans know cameras are keeping a roving watch and their activities in the ground are inhibited by that knowledge."

Lord Justice Taylor in his Final Report into the Hillsborough Stadium Disaster.

All major League grounds in Britain are equipped with CCTV funded by The Football Trust.

COMMUNITY NOTES

Hello again,

On Monday, the disappointment of having to cancel our weekly session with Deepdale Training Centre due to the weather, was compensated by the little suprise we were able to provide for David Eastham, one of the regulars on the session. David recently celebrated his 40th Birthday, and unbeknown to him we had arranged for him to come to the ground to receive a card specially signed by all the P.N.E. F.C. squad. In addition David a keen P.N.E. fan is one of our VIP guests for today's match.

Apologies to all the disappointed teams who applied to enter our Quiz Night, scheduled for Thursday, 22nd November. Unfortunately due to unforseen circumstances we had to cancel this event. The good news is that we will be giving details of a revised date some time in the New Year.

We recently received some very nice photographs from Eccleston County Primary School of last months player visit. Simon Farnworth and Nigel Greenwood are seen along with yours truly and the children with whom we worked over a period of six weeks.

Finally may I extend a warm welcome to all our guests for today's game, particularly the children attending the Preston North End Soccer Clinic which has been running over the past ten weeks and especially to our friend David Eastham.

AROUND THE WORLD OF FOOTBALL

Malcolm Allison – remember him – has taken up yet another coaching job. Big Mal has been appointed to take charge Al Shaab, over in the United Arab Emirates.

The ex-Manchester City and Sporting Lisbon supremo is no stranger to The Gulf, having managed the Kuwait National team back in the mid '80s.

* * * * *

Former England striker Tony Woodcock capped 42 times , has become one of the first 'foreigners' to be granted a testimonial.

Woodcock, 34, who made his name with Nottingham Forest, has been forced into retirement by ankle problems. But over in West Germany where he had two spells, his last club, Koln, granted him a benefit game. More than 6,000 turned out to watch Koln play Fortuna, the club which now employs Woodcock as technical director.

* * * * *

Quote from super-fit ex-Brazil star Pele, at his 50th Birthday party: "I believe I will live to be 100–the only problem is that all my friends will be dead."

* * * * *

Paul Mariner, once on the books at Chorley before going on to fame and fortune with Ipswich and England, is on the move again. Mariner has joined Maltese club side Naxxar Lions.

* * * * *

Steve Archibald has returned to his roots in Scotland–a £150,000 move from Spanish side Espanol to St. Mirren.

BITS AND PIECES

GREAT GOALSCORERS

FRANK WORTHINGTON

The Great Frank Worthington

Frank Worthington enjoyed a long and successful career in which he played for no fewer than eleven Football League clubs, scored in 21 successive Football League seasons and then played for seven more clubs outside the Football League before hanging up his boots and assisting us as part-time coach.

Born in 1948, Frank's father and brothers Dave and Bob all played in the Football League. He graduated from the junior ranks to sign professional for Huddersfield in 1966. He steadily eased his way to a regular Second Division place, played in League Cup semi-final in 1968 and was leading Second Division scorer with 19 goals in 1969/70 when the Terriers won promotion to Division One.

He scored 48 goals in 192 games for them before a transfer to Liverpool for £150,000 was called off through high blood pressure and he joined Leicester for just over half that amount in 1972. He reached his peak while at Filbert Street, appearing in an F.A. Cup semi-final, winning eight England caps in 1974 and scoring 72 goals in 210 games before moving to Bolton in 1977.

Whilst at Burnden Park he was leading First Division scorer with 26 goals in 1978/79 and his goal at Ipswich that season received the award as goal of the season. After a season in the North American League he joined Birmingham in 1980, topscored for them in his first season and moved to Leeds in 1982. His moves became more rapid from there on and he moved successively to Sunderland, Southampton and Brighton and then spent nearly two seasons as player-manager of Tranmere.

It was from there that he moved to Preston as a player and appeared mainly as a substitute from February to November 1987. He then moved to Stockport after three goals in 23 games and took his career goal tally to 361 in 866 league and cup games. He spent the summer of 1988 in South Africa and then played for Chorley, Stalybridge, Galway, Weymouth, Radcliffe Borough and Guisley. Never far from the headlines, Frank was one of the games most colourful characters for over two decades.

PLAYED FOR BOTH SIDES

TERRY GRAY

Many will readily remember Terry Gray, an exciting little winger of the seventies and a busy midfielder of the early eighties. It was our bad luck that we did not acquire his services until near the end of his career.

Born in Bradford in 1954, he was an England Junior tennis player and an England Grammar School international who had short spells on the books of Chelsea and Wolves before signing for Huddersfield in August 1972.

He made his debut in a Third Division game at Southend in November 1973, won a regular place in 1974/75 and after relegation to Division Four scored 19 goals in 36 games in 1975/76 before having the bad luck to break a leg in a game at Hartlepool. He came back bravely a year later and he became club captain in 1977 and by the time he moved to Southend in 1979 in the same deal that took Mick Laverick to Huddersfield.

He helped Southend to promotion at the end of 1980/81 and totalled 28 goals in 110 games before moving to Bradford City in the summer of 1982. Just over two seasons later he came to us in October 1984. He made his debut in the 3-3 draw against Burnley in the following month and in two seasons played in 40 games and scored just once (against Colchester).

He had a spell with Rochdale and then played for a time with Ossett in the Northern Counties (East) League. Terry's career figures were 80 goals in 389 league games.

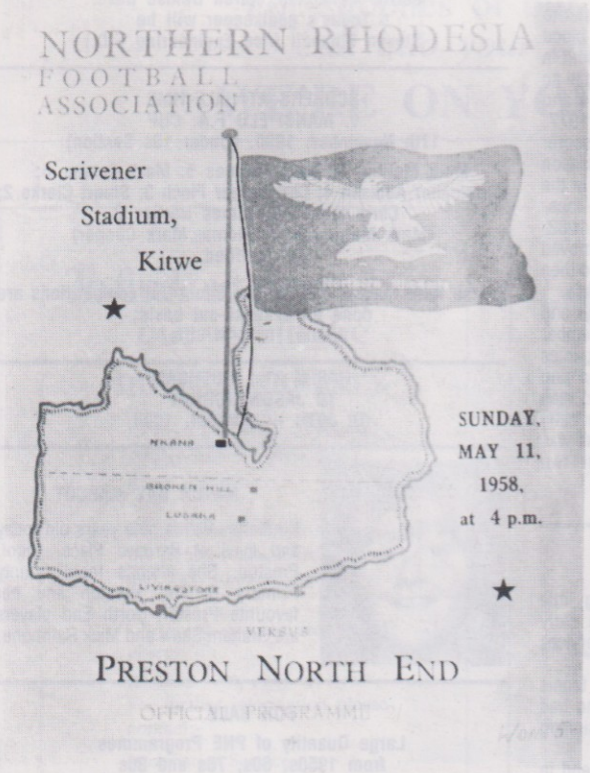
COLLECTORS CORNER

During May/June 1958 Preston North End undertook a successful tour of South Africa. The cost of the tour was apparently £17,000 and was paid for by the South African Football Association. The North End party left London on May 8th and were due back on June 11th. Missing from the party were the two Tommys, Finney and Docherty, as both players were required by their countries to play in the 1958 World Cup finals. Another Tommy, Tommy Thompson was appointed tour captain in their absence.



North End started the tour well, kicking off against **Northern Rhodesia**, today's featured programme, and won comfortably by 5–0. Hatsell (2), Baxter, Thompson and Mayers were the goalscorers. The featured programme itself is a large 28-page gold and green fronted issue priced at two shillings and amongst its contents are 18 thumb sized individual photographs of the Preston squad complete with well stocked informative short paragraphs on each of the players. One page is devoted entirely to the history of Preston North End.

The game itself kicked off at 4.00 p.m. due to the fact that two other minor representative games were to be played earlier that afternoon. Northern Rhodesia's captain was Charlie Watkins who had played over 200 League games for Luton Town.

The full tour details will be printed in the next issue of the Preston North End programme.

AGNEW'S VIEW

Here's a little tester for you: When was the first senior football match televised live on a Sunday night? Well, it's a trick, actually, because that particular happening hasn't occured yet – not until Sunday, 9th December.

Then we (or some of us anyway) will see history made.

And, who will be involved – Arsenal, Liverpool, Manchester United, as usual?

No, the clubs involved are Colchester United and Leyton Orient!

That mega-match is the F.A Cup second round tie selected for national T.V. exposure by BSB.

Before you laugh too much, Colchester have made the game all-ticket with an anticipated 7,200 capacity attendance.

For those of you with BSB the game kicks off at 8 p.m. For the rest of us it'll be Howards Way as per usual!!

* * * * *

Who says promotion to the Football League is a good idea? Look what's happened at recent "promoted" clubs like Lincoln and Maidstone.

Both have suffered a drop in crowd figures this term with Lincoln down by a staggering 32 per cent and Maidstone dropping by 17 per cent.

One of the League's attendance success stories so far this term comes down on the Devon coast at Torquay.

The Seasiders home gates have risen from 2,147 to 3,048 – an increase of 42 per cent.

* * * * *

Staying on the theme of attendances, it is encouraging to report that League crowds across the nation are up in every Division, except the Second, by a healthy 5 per cent.
